

TACTICAL PERFORMANCE REDEFINED™

PRECISION ARMAMENT MILITARY/LEO DISCOUNT

Precision Armament is proud to support the brave men and women that serve and protect the freedoms and liberties of the United States of America. We offer a 20% discount to all active and retired military and law enforcement personnel. In order to qualify for the discount it will require setting up an account prior to placing your order. Please submit this form with a copy of your military or law enforcement identification card (sensitive ID information may be blacked out). An email or faxed copy of your name and credentials on your department letterhead will also meet this requirement. Military/LEO accounts usually take 2-3 business days to setup and make active. You will receive a confirmation email once your account is active. Please Note: discounts cannot be applied to orders placed prior to this account activation.
