

TACTICAL PERFORMANCE REDEFINED™

PRECISION ARMAMENT STOCKING DEALER AGREEMENT

The following Policy, its administration, and changes thereto are at the sole discretion of Precision Armament. This policy outlines terms and requirements for obtaining dealership status. Dealership status is defined as an individual or company that purchases products for the sole purpose of resale. Qualified dealers will receive a flat 30% discount off advertised retail price; this covers our complete product line, no minimum purchases or order requirement. All information provided will be treated as confidential and used solely for the purpose of determining how to best serve your account.
